SYNOPSIS

Mastrangelo applied for the position of police officer with the City of Boynton Beach and was given a conditional hire. A pre-employment background investigation was initiated at this time.

Mastrangelo was given a psychological evaluation on August 25, 2016 by Dr. Paul E. Bryan, Jr. of Woodlake Psychological Associates. On August 31, 2016 the report was received concerning Mastrangelo's evaluation. The report indicated that Mastrangelo's evaluation placed him in the category of "Moderate Risk". This is outside of the agencies standards; therefore it is recommended that Mastrangelo should not proceed further in the background process.

Completed By: Ofc. Jaclyn Smith 

Date: 09/06/2016
